

Edmund Rice Camps for Kids WA.

Dear Potential Volunteer,

Thanks for considering being a part of the Edmund Rice Camps for Kids WA. Edmund Rice Camps provide holiday camps and recreational opportunities for children who might otherwise not get such an opportunity. This would not be possible without the generosity of volunteers like you. ERCKWA camps and activities offer kids who might be experiencing some sort of pressure, opportunities of friendship, fun & sharing. We work hard to create an environment that offers "fun without risks", obviously we aim for no physical risks, but we also aim for no emotional risks. Such an environment builds self esteem and confidence and promotes appropriate socialising with others.

As a volunteer with ERCKWA, you can expect much more than a unique opportunity to relate these experiences with your peers. The camps also offer volunteers the experience of serving other more vulnerable members of the community, the opportunity to develop confidence and skills as a leader and a chance to grow in empathy and a broader social understanding and awareness.

Once we have received your contact details we will send you all the information you need to become a volunteer. Wishing you all the best with all that you do.

Kind Regards,

Ashley Little
Executive Officer
